

AMEA Outstanding Music Educator Award

AMEA honors its members who have shown a special dedication to music education in Alabama. Various individuals have been honored with AMEA's "Outstanding Music Educator" award because members have taken the time and interest to nominate them. This award provides our organization the opportunity to honor those who have set high standards for our profession, and who give all of us inspiration and direction. It is likely that every member knows of colleagues or former teachers who have influenced him or her greatly, and who should be honored with our recognition.

Forms must be received by July 15. The presentation of the awards is scheduled for the AMEA In-Service Conference in January. Please complete this form and mail to the address below before **July 15**.
